soliciting instructions as to whether the guns forfeited to Government under section 11 of the Mysore Arms Regulations VI of 1890 should be sent to Govt Military Stores at Bangalore or whether they should be sold by public auction &c

All forfeited guns may be ordered to be sent to the military stores where such guns as are serviceable may be utilised & the others ordered to be sold or otherwise disposed of. In cases where they are sold there are likely to be more licensees & demand in a large than place like Bangalore than in outlying places. A general rule to this effect may be noted.

The Chief Secretary to the
Government of Mysore
Bangalore.

Sir,

I have the honor to report that section 11 of the Mysore Arms Regulation VI of 1890 directs that any person possessing Arms ves the possession whereof by him has become unlawful in consequence of the cancellation or expiry of a license ves shall deposit the same with the officer in charge of the nearest Police Station and that if he fails to apply for the same within three years from date of deposit with a license authorizing him to possess

the same, such thing shall be for-
feited to Government. —

2— Again section 19 of the Regu-
lation empowers a Magistrate to
order confiscation of Arms &c on
conviction of a person for an offence
under the Regulation. But there is
no provision in the Regulation as to
the disposal, especially of Arms so
confiscated

3 — I therefore solicit instructions
as to whether such arms should be
sent to the Government Military
Stores at Bangalore or whether they
should be sold by public auction
and the sale proceeds credited to
Government. The latter course,
does not seem practical, for the
purchasers will have themselves
to be licensees. The question is
raised, because, there are many
arms lying awaiting disposal
which have not been claimed
